

Du (the) Dunlap Duathlon,

Saturday morning, August 11, 2012

Conditions were perfect with temperatures in the low 50s and a negligible breeze out of the south/southwest.

Transition times are not available. This may account for any discrepancies in split times or other minor errors (other than those made by the timing crew—who did an outstanding job and could not possibly have made any errors).

Thank you to everyone who participated from the Boyer Valley Wellness Center!
